This 1955 Good House Wife's Guide Tells How To Treat Husbands

A modern 1950s wife(though that term does not make sense) has meticulous grammar and spelling . And I am so glad for you that you had the courage to decide that the housewife's life is the one for you.You are correct; marrying your way to get your needs covered is much better than covering them for yourself.It must be very dignified for you to ask your husband for money every month/week depending on the needs.

## Modern Life Of A Vintage Housewife: The 1950's Housewife Guide

The 1950s housewife had been prepared both at school and at home for her role in life; she took pleasure and pride in looking after her home and family to the best of her ability. However on the other side of the coin, she didn't have a career outside the home and she had no income of her own, which left her dependent on her husband.
