I bought 2 of the 2017 Color Me Happy daily desktop calendars, one for myself and one for my sister. I really like the illustrations to color, but the paper is so glossy that we can hardly get our colored pencils to color on it. I had purchased the 2016 calendar last year and really enjoyed it, but this one is made from a different type of paper.

In the grand tradition of "Raindrops on roses and whiskers on kittens" comes an uplifting tribute to 100 everyday things worth celebrating. The list, in rhyming couplets, draws directly from a preschooler's world—from slippery floors to dinosaurs, from goldfish to a birthday wish. Amy Schwartz weaves a masterful balance between art and text, with each of the 100 items portrayed as its own well-observed and warmly detailed vignette. While the contents provide readers with a frame of reference for the quantity of "100"—a celebratory milestone in preschools and early elementary grades—the oversized pages envelop young children in the wonderful things surrounding them. Praise for 100 Things That Make Me Happy STARRED REVIEW "A fun, engaging read." --School Library Journal, starred review

A powerful coming-of-age novel pulled from personal experience about the meaning of friendship, the joyful beginnings of romance, and the racism and religious intolerance that can both strain a family to the breaking point and strengthen its bonds. Growing up in an affluent suburb of New York City, sixteen-year-old Nevaeh Levitz never thought much about her biracial roots. When her Black mom and Jewish dad split up, she relocates to her mom's family home in Harlem and is forced to confront her identity for the first time. Nevaeh wants to get to know her extended family, but because she inadvertently passes as white, her cousin thinks she's too privileged, pampered, and selfish to relate to the injustices African Americans face on a daily basis. In the meantime, Nevaeh's dad decides that she should have a belated bat mitzvah instead of a sweet sixteen, which guarantees social humiliation at her posh private school. But rather than take a stand, Nevaeh does what she's always done when life gets complicated: she stays silent. Only when Nevaeh stumbles upon a secret from her mom's past, finds herself falling in love, and sees firsthand the prejudice her family faces that she begins to realize she has her own voice. And choices. Will she continue to let circumstances dictate her path? Or will she decide once for all who and where she is meant to be? "Absolutely outstanding" --Nic Stone, New York Times bestselling author of Dear Martin
