To French kiss someone, first move in closer and tilt your head to the side a little bit so you're ready to kiss them. Close your eyes and start with some gentle kisses. Then, open your mouth a little to invite your partner to start using their tongue. If they do, kiss them back using your tongue lightly too.

The French Kiss of Death is an EarthBound enemy that only appears in Magicant. It is a palette-swapped and stronger version of the Kiss of Death. The only attack that this foe can use is the "Kiss of Death" which will poison Ness. It is weakest to Hypnosis (99% chance of success) but strongest against Brainshock, which has a 0% chance of working on the French Kiss of Death.
