The object of our living hope is described in 1 Peter 1:4 as “an inheritance that is imperishable, undefiled, and unfading, kept in heaven for you” (CSB). We have an inheritance that will never be touched by death, stained by evil, or faded with time; it is death-proof, sin-proof, and age-proof.

Peter speaks of this as a living hope, and living means it is something that comes to us every day; it is something that is available all the time. It is in that sense that I want to conclude this message this morning by showing you that Jesus Christ alive from the dead is the answer to all the broken dreams, the collapsed hopes of your life and mine, the pressures that we feel from day to day, the sense of our failure and the inability to perform as we would like to perform.

Our inheritance through Christ is imperishable, undefiled, and unfading. In 1 Peter, a man of faith and flaws and eyewitness to the life of Christ challenges us to look beyond our current circumstances to a future inheritance. He shares his concerns on big picture issues for the early church, describes believers' true identity in Christ, and ultimately helps readers discover what it means to experience the Living Hope they have in Christ. Key themes of humility, submission, and identity in Christ guide the study of 1

Because of that, she advocates for women to have Bible literacy, love God with their minds, and have their voices and giftings fully leveraged in the church.

This new edition replaces both *The Pursuit of Holiness* and the separate study guide by combining both resources into one volume! “Be holy, for I am holy,” commands God. But holiness is something that is often missed in the Christian’s daily life. According to Navigator author Jerry Bridges, that’s because we’re not exactly sure what our part in holiness is. In *The Pursuit of*

Robert Mounce, who was for 21 years a regular columnist in 'Eternity' as well as the author of several popular articles in such publications as 'Christianity Today', here demonstrates his scholarship, lucidity, and pastoral heart in this commentary designed to meet the needs of laypersons and pastors looking for a balanced, effective, and relevant interpretation of Peter's epistles. Mounce sees the keynote of the letters as hope, but the main purpose as hortatory - that is, they were written to encourage believers in Asia Minor to expect and endure hardship as a result of their commitment to the Christian faith and to stimulate them to wholesome thinking vis-a-vis false teachers who had risen within the church itself. Central to Mounce's commentary is the remarkable

fact that although the letters are packed with imperatives, they do not merely offer ethical instructions or lessons for living, but move freely from doctrine to duty and back again. Thus, the purpose of doctrine is seen here as less to instruct than to provide the theological basis for a new way of living. More specifically, because Christians have been born anew to a living hope, there is a serious challenge to holy living. Mounce effectively updates this challenge, applying it to modern living - and chapter titles such as *How to Get Along With Your Spouse*, *Living in an Alien Society*, and *How to Live in the Family of God* reflect the author's timely and practical application. Study questions are included to facilitate individual and group Bible study.

In this revised BST volume, Edmund Clowney expounds the rich pastoral letter of 1 Peter, exploring historical background, key themes, and applications for today. He highlights the life and work of Jesus, the reality of suffering, and the fulfillment of Old Testament promises, showing readers in every era what the story of Jesus' life means for us as we take up our cross and follow him.

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But

here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move.

Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Disciples' Literal New Testament sets you free from our artificial 460 year old chapter and verse structure, replacing it with paragraphing that reflects the flow of thought in the original Greek writings. Paragraph headings make that flow of thought explicit to you, speeding your understanding of the NT books. This translation retains the writing style of the apostles themselves, rather than transforming their Greek ways of writing into an elegant or contemporary English writing style, as has been beautifully done so many times. It is the same translation as the author's New Testament TransLine, first published by Zondervan in 2002. Now you can read the New Testament as the original writers intended it, and see it with a clarity formerly available only to those who could carefully study their Greek New Testament. You can even see the difference in writing style between Matthew, Mark and Luke! Used along with
