BORIS Johnson could see a Brexit trade deal as early as next week, The Sun exclusively revealed. Chief Brexit negotiator David Frost has said the crunch talks could be wrapped up in a matter of days.

January 1954. Mists cover the hills around Selchester. Someone at the research facility known as the Atomic is leaking secrets to Soviet Russia, and when nuclear scientist Bruno Rothsay goes missing, the British Intelligence Services are convinced he's the mole. Hugo Hawksworth isn't so sure. Then a body turns up, and Hugo's instincts are proven correct. But if Rothsay wasn't selling secrets to the Soviets, who is? As Hugo digs deeper into buried connections and unlikely coincidences, he knows there's more to this case than his London superiors believe. But following his instincts will pit him against the Establishment--and tangle him once again in the poisonous legacy of the late Lord Selchester. As he closes in on the truth, Hugo finds himself confronted by an adversary who will stop at nothing, in a case that will prove the most personal of his career. With a touch of Downton Abbey, a whisper of Agatha Christie and a nod to John Le Carr é , A Matter Of Loyalty is the third and final book in this delightfully classic and witty murder-mystery series.

Katrina's husband Dave has been away for most of their five-year marriage. She is convinced that he is on the wrong end of the law and is determined to cut ties with him forever until he returns and works to win his way back into her heart. When the evil Wilson Gang, headed by a deranged man from Dave's past, comes to their town of Silver Leaf, Arizona, it means trouble for all involved.

Suspense fiction. When a bomb goes off in London's West End, Home Secretary Victoria Osborne has a desperate sense of having failed in her duty to protect the public. A young Muslim reporter, Ahmed Khan on the staff of a national newspaper edited by Victoria's husband also has a deep seated sense of anger and responsibility. He persuades his editor to let him go back amongst childhood friends in Leeds to try to glean anything, any lead, any clue that might help prevent further bombs. When Ahmed meets Victoria's daughter, Nattie, at a party, he cannot get her out of his mind. They begin seeing each other. As he turns over stones in his hometown and finds out uncomfortable facts, his involvement with Nattie has everyone alarmed. He continues to see her and keep in touch with a group of potential terrorists. Knowing something catastrophic is being planned, Ahmed fears for Nattie's safety and becomes obsessively determined to thwart it.

"A Matter of Loyalty" uses historical events from WWI, the Russian Revolution to the outset of WWII as a springboard for action. Chilling theories are presented as fiction regarding the disappearance of the Russian Royal family. Then there is the Non Aggression Pact and Stalin's strained political relationship with Hitler prior to WWII. The lives of Stalin, Anastasia and a count intermingle against this background. At times the novel's action focuses on one character more than another for the novel reflects the love of two men for Anastasia. After suffering grief at the loss of her family, Grand Duchess Anastasia Nicholaevna finds the forgiveness that helps her. Her story is one of love and loyalty not just for her husband who helped rescue her from imprisonment but for a world of wilderness and beauty she comes to know outside the one of war and revolution. Her love and loyalty encircle not just family both human and non human but the man who opened freedom's gate for her.

But, as he investigates his hometown and finds out uncomfortable facts, his involvement with Nattie has everyone alarmed. Knowing something catastrophic is being planned and fearing for Nattie's safety, Ahmed becomes obsessively determined to thwart it, whatever the cost to himself.

For decades we've been told that we live in fast-paced, dog-eat-dog world, that loyalty gets you nowhere, and that we must look out for number one! We've been told that to succeed we have to constantly reinvent ourselves, let go of past relationships, and move on to greener pastures. And we've been told that all this is good. But it's not good. Why Loyalty Matters is grounded in the most comprehensive study of loyalty ever conducted, and what it reveals can change your life. The science is very clear – when it comes to business success, satisfaction in our relationships and even overall happiness, loyalty is essential. Renowned loyalty experts Timothy Keiningham and Lerzan Aksoy combine their own groundbreaking research with the leading thinking in philosophy, sociology, psychology, economics and management to provide a comprehensive guide to understanding what loyalty is, what it isn't and how to unlock its power in your personal and professional life.

" A Matter of Loyalty " uses historical events from WWI, the Russian Revolution to the outset of WWII as a springboard for action. Chilling theories are presented as fiction regarding the disappearance of the Russian Royal family. Then there is the Non Aggression Pact and Stalin ' s strained political relationship with Hitler prior to WWII. The lives of Stalin, Anastasia and a count intermingle against this background. At times the novel ' s action focuses on one character more than another for the novel reflects the love of two men for Anastasia. Her love and loyalty encircle not just family both human and non human but the man who opened freedom ' s gate for her.

Zvon Marin was one of Russia's top cryptographers until the October Revolution tore apart his world. Forced to flee to England after speaking out against Lenin, Zvon is driven by a growing anger and determined to offer his services to the Brits. But never far from his mind is his brother, whom Zvon fears died in the train crash that separated them. Lily Blackwell sees the world best through the lens of a camera and possesses unsurpassed skill when it comes to retouching and re-creating photographs. With her father's connections in propaganda, she's recruited to the intelligence division, even though her mother would disapprove if she ever found out. After Captain Blackwell invites Zvon to dinner one evening, a friendship blooms between him and Lily that soon takes over their hearts. But both have secrets they're unwilling to share, and neither is entirely sure they can trust the other. When Zvon's loyalties are called into question, proving him honest is about more than one couple's future dreams—it becomes a matter of ending the war.
