River words - 3D Geography

Describing Words. The idea for the Describing Words engine came when I was building the engine for Related Words (it's like a thesaurus, but gives you a much broader set of related words, rather than just synonyms). While playing around with word vectors and the "HasProperty" API of conceptnet, I had a bit of fun trying to get the adjectives which commonly describe a word.

Includes an excerpt from A queen of gilded horns.

Extraordinary examples of children's creativity Water--in all its splendid forms--is the subject and inspiration behind the alluring artwork and astounding poetry presented in River of Words: Images and Poetry in Praise of Water. Rivers, lakes, oceans, rain, and tears come alive in pages of verse and full-color art. This collection is all the more remarkable because it was created by surprisingly young poets and artists. Culled from the annual River of Words(TM) art and poetry contest, here is an exceptional selection of creative work from young people (ages 5-19) across America and around the world. Both children and adults will appreciate and enjoy the creative results of children experiencing and exploring water as part of the environment. River of Words: Images and Poetry in Praise of Water offers all of us a visual and visceral experience. An epilogue by Pamela Michael, addressed to parents and teachers, discusses how to inspire great art and poetry from kids. River of Words(TM) was co-founded in 1995 by Robert Hass, U.S. Poet Laureate (1995-1997), and writer Pamela Michael to promote literacy, the arts, and environmental awareness. River of Words conducts an annual international poetry and art contest for students K-12. To learn more, visit them at www.riverofwords.org.

From the instant #1 New York Times bestselling author of the “ eerie and

fascinating ” (USA TODAY) The Thirteenth Tale comes a “ swift and entrancing, profound and beautiful ” (Madeline Miller, internationally bestselling author of Circe) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter ’ s night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son ’ s secret liaison stand ready to welcome their granddaughter. The parson ’ s housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone ’ s. Each family has mysteries of its own, and many secrets must be revealed before the girl ’ s identity can be known. Once Upon a River is a glorious tapestry of a book that
