Creative Writing - A Workbook with Readings Amazon.co.uk

A writer is a person who uses written words in different styles and techniques to communicate ideas. Writers produce different forms of literary art and creative writing such as novels, short stories, books, poetry, plays, screenplays, teleplays, songs, and essays as well as other reports and news articles that may be of interest to the public.

Writer Wikipedia

"A Writer's Workbook is the most generous favor to those among us who would write and could write, if only we could get down to work . . . This is a book for students, for professionals, for poets, for playwrights, for journalists and for those of you who don't even dare call yourself writers yet, except the most secret moments of the night."
