Afrocentricity seeks to re-locate the African person as  
an agent in human history in an effort to eliminate the  
illusion of the fringes. For the past five hundred years  
Africans have been taken off of cultural, economic,  
religious, political, and social terms and have existed  
primarily on the periphery of Europe. Because of this  
existence we

Afrocentrism, also called Africentrism, cultural and political movement whose mainly African American adherents regard themselves and all other Blacks as syncretic Africans and believe that their worldview should positively reflect traditional African values. The terms Afrocentrism, Afrology, and Afrocentricity were coined in the 1980s by the African American scholar and activist Molefi Asante.

Afrocentricity is a theory that emerged in the early 1980s in the United States within the academic context of African-American studies. Afrocentricity was articulated by Molefi Kete Asante, a professor of African-American studies at Temple University and creator of the first Ph.D. program in African-American studies in the nation, in three major essays published between 1980 and 1990.

terms of the methodology, theory, and ideology that should be employed to achieve its objectives towards attaining the proposed change.

## ~~The development of Afrocentricity: A historical survey~~

In 1980, Asante authored, *Afrocentricity: The Theory of Social Change*, the first of a quartet of books mandating that Africans be viewed as subjects rather than objects. From 1973 to 1981 Asante was professor and head of the Department of Communication at State University of New York at Buffalo.

## ~~Afrocentricity International | The HistoryMakers~~

In 1980 Asante published *Afrocentricity: The Theory of Social Change*, which initiated a discourse around the issue of African agency and subject place in historical and cultural phenomena. He maintained that Africans had been moved off-center in terms on most questions of identity , culture, and history.
