Islamic resistance
movement and
secular nationalist

Access Free

Alexei Vassiliev

party; and the political and ideological shifts in Palestinian politics. Comprehensive and topical, this book will be useful to scholars and researchers of West Asian studies, peace and conflict studies, politics and international relations, foreign

Access Free Alexei Vassiliev

policy, political studies, area studies and strategic and defence studies.

An inside look at the kingdom of Saudi Arabia discusses Wahhabism, the corruption within the Saudi royal family, its ties to

Access Free

Alexei Vassiliev

terrorism, and the threat it poses to the Western world.

This extraordinary book charts the development of Russia ' s relations with the Middle East from the 1950s to the present. It covers both high and low points – the

Access Free

Alexei Vassiliev

closeness to
Nasser ' s Egypt,
followed by
reversal; the
successful invasion
of Afghanistan
which later turned
into a disaster; the
changing
relationship with
Israel which was at
some time
surprisingly close;
the relationship

Access Free

Alexei Vassiliev

with Syria, which continues to be of huge significance; and much more.

Written by one of Russia ' s leading Arabists who was himself involved in the formation and implementation of policy, the book is engagingly written, extremely insightful, telling us

Access Free

Alexei Vassiliev

things which only the author is in a position to tell us, and remarkably frank, not sparing senior Soviet and Russian figures from criticism. The book includes material based on the author ' s conversations with other leading participants.

Access Free Alexei Vassiliev

This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession.

Presenting a new and refreshing theoretical

Access Free Alexei Vassiliev

approach that links elite integration with regime stability, the author shows that the kingdom's royal elite is far more integrated than it has generally been given credit for. Based on extensive field work inside Saudi Arabia, the book offers a

Access Free Alexei Vassiliev

detailed, up-to-date survey and assessment of all the key sectors of the elites in the country. The author examines how the succession process has been used in highly different circumstances - including deposition, assassination, and

Access Free Alexei Vassiliev

death by old age - and demonstrates how regime stability in Saudi Arabia rests on the royal family's ability to unite and to solve the challenge of succession. He offers a strong analysis of intra-ruling family mechanisms and

Access Free Alexei Vassiliev

dynamics in this notoriously private royal family, and addresses the question of whether, as the number of royals rapidly grows, the elite is able to remain integrated. Providing a rare insight into the issues facing the royal family and

Access Free Alexei Vassiliev

ruling elite in Saudi Arabia, this book will be of great interest to scholars and students of Middle Eastern politics, and Saudi Arabia in particular.

This is a 422 pages edited volume, prepared by a group of prominent scholars from US,

Access Free

Alexei Vassiliev

UK, Malaysia, UAE and Lebanon. It discusses the domestic settings of American foreign policy and analyzes its impact on issues considered vital to the Muslim world; adhering to the strict academic standards and measures. The first part of this book

Access Free Alexei Vassiliev

explains the complex foreign policy making system in the United states and assesses the role of Christian evangelicalism, neoconservatism, the media the pro-Israel lobby and the role of Muslim groups. The second part of the book

Access Free Alexei Vassiliev

discusses the characteristics of the American foreign policy. It presents a historical analysis of the most important issues that had an immense impact on the American foreign policy. It also analyses the impact of the US

Access Free

Alexei Vassiliev

political economy on its foreign policy; and asserts the need for a paradigm shift in American foreign policy. The third part of the book provides an in-depth analysis of American policy towards the most sensitive issues in the Islamic World:

Access Free

Alexei Vassiliev

the Palestinian cause, Iraq invasion and occupation, Iran ' s nuclear issue and Afghanistan. It also discusses the president Obama ' s foreign policy. The importance of this study is that it analyzes American foreign policy from the view of scholars who are mostly

Access Free Alexei Vassiliev

from the Islamic world, yet they well know the US closely through their academic background, or by living and studying and teaching there. Thus they present their objective view as they see it rather than presenting the views of American

Access Free Alexei Vassiliev

think tanks. It is a must read book for those interested in understanding American foreign policy toward the Muslim world, and specialists, and students of Political Science, and International Relations.
