Alien Encounters is a docudrama revolving around an alien space ship that was spotted traveling to earth for unknown reasons. Throughout the episodes, we are presented with the fictitious but all too familiar documentary style scientific details of our technologies, alien technologies and how this encounter develops. Plot Summary | Add Synopsis

Alien Encounters (TV Series 2012– ) - IMDb  
An encounter with the aliens from other planets is something that doesn't happen too frequently with earthlings. However, out of whatever little count of such alien encounters are reported, some of the encounters are really hair-raising and would bring anyone to the edge of their seats.
