So in that light, the darkness does ultimately serve it's purpose. It grows our souls, and soul growth is rarely comfortable. As a general rule, eclipses remove things from your life which are no longer serving a purpose. Even if they bring in an event such as the birth of a child or a marriage. The single life experiences a death.

The Soul of humanity is under threat - its ascension before the last eclipse of 2012 depends on the anchoring fo the Light. There are those who want us earthbound to be ravaged by war, darkness and despair. Like many others, Mia, an Australian astrologer has awoken to the truth and understands the plight ahead to ensure our spiritual freedom.

Daughter of the Eclipse. The trail through the woods was blocked by decades of overgrowth, but the house and its gardens were untouched by the years. Sparkling fae flitted about, tidying and repairing the home of the woman who slumbered inside. ... Had I been awake, they would have made prey of my mind and soul.” ...
