They're easy to make too – just combine flour, salt, dry white wine and olive oil and knead into a dough, then shape into taralli , boil them and crisp up in the oven.

Featuring 140 mouthwatering new recipes, a gastronomic journey of the Italian regions that have inspired and informed Lidia Bastianich's legendary cooking. For the home cook and the armchair traveler alike, Lidia's Italy offers a short introduction to ten regions of Italy—from Piemonte to Puglia—with commentary on nearby cultural treasures by Lidia's daughter Tanya, an art historian. · In Istria, now part of Croatia, where Lidia grew up, she forages again for wild asparagus, using it in a delicious soup and a frittata; Sauerkraut with Pork and Roast Goose with Mlinzi reflect the region's Middle European influences; and buzara, an old mariner's stew, draws on fish from the nearby sea. · From Trieste, Lidia gives seafood from the Adriatic, Viennese-style breaded veal cutlets and Beef Goulash, and Sacher Torte and Apple Strudel. · From Friuli, where cows graze on the rich tableland, comes Montasio cheese to make fricos; the corn fields yield polenta for Velvety Cornmeal-Spinach Soup. · In Padova and Treviso rice reigns supreme, and Lidia discovers hearty soups and risottos that highlight local flavors. · In Piemonte, the robust Barolo wine distinguishes a fork-tender stufato of beef; local white truffles with scrambled eggs is "heaven on a plate"; and a bagna cauda serves as a dip for local vegetables, including prized cardoons. · In Maremma, where hunting and foraging are a way of life, earthy foods are mainstays, such as slow-cooked rabbit sauce for pasta or gnocchi and boar tenderloin with prune-apple Sauce, with Galloping Figs for dessert. · In Rome Lidia revels in the fresh artichokes and fennel she finds in the Campo dei Fiori and brings back nine different ways of preparing them. · In Naples she gathers unusual seafood recipes and a special way of making limoncello-soaked cakes. · From Sicily's Palermo she brings back panelle, the delicious fried chickpea snack; a caponata of stewed summer vegetables; and the elegant Cannoli Napoleon. · In Puglia, at Italy's heel, where durum wheat grows at its best, she makes some of the region's glorious pasta dishes and re-creates a splendid focaccia from Altamura. There's something for everyone in this rich and satisfying book that will open up new horizons even to the most seasoned lover of Italy.
