This volume
presents the
revised and peer
reviewed
contributions of the
"ERP Future 2012"
conference held in
Salzburg/Austria on

the new challenges
and uncertainties
of how to thrive in
today's ever-
changing world.
The Operations
Advantage
identifies the most
significant
challenges to the
practice of
operations
management and
gives guidance on

how businesses can respond. Leaders need to link the strategic objectives of the business clearly and logically to its operations performance objectives. The book presents a series of ten activities that will help them to do

Download Free Apics Smr

this and therefore make operations work better, such as designing and configuring internal processes and resourcing the operations appropriately. Based on the global teaching, training and consultancy conducted by the

author, The

Operations

Advantage looks at

the application of

operations

management

across a range of

sectors, including

finance,

healthcare,

professional

services, oil and

gas industries.

Although these

diverse sectors
require operations
practitioners to
apply knowledge in
different ways,
they essentially
deal with the same
set of processes.
The book is an
indispensable and
unique guide for
anyone with an
operational role in
any organization,

In the aftermath of the financial crisis, the spotlight is even more on the role and activities of the CFO.

Specifically, CFOs need to accelerate

Download Free Apics Smr

three aspects of their role: develop dynamic and distinctive risk management capabilities, motivate and align increasingly diverse work providers, and design and operate effective financial processes for internal and

external

customers. The
winning CFOs in

the next decade

will be the ones

who get the basics

right, who prioritise

their efforts, and

who invest in the

leadership

development that

creates the

institutional

capacity to achieve

their teams, and
the organizations
who employ them.
