Faber Modern Classics - Faber & Faber Blog

About the Book Complicated, awkward, funny, cruel, heartbroken, mysterious; Self-Help forms an idiosyncratic guide to female existence which is just as relevant today as it was 30 years ago. These stories are modern America at its most real, with characters sharing thoughts and experiences they could have borrowed from our own lives.

Ariel, first published in 1965, contains many of Sylvia Plath's best-known poems, written in an extraordinary burst of creativity just before her death in 1963. Including poems such as 'Lady Lazarus', 'Edge', 'Daddy' and 'Paralytic', it was the first of four collections to be published by Faber & Faber. Ariel is the volume on which Sylvia Plath's reputation as one of the most original, daring and gifted poets of the twentieth century rests. 'Since she died my mother has been dissected, analysed, reinterpreted, reinvented, fictionalized, and in some cases completely fabricated. It comes down to this: her own words describe her best, her ever-changing moods defining the way she viewed her world and the manner in which she pinned down her subjects with a merciless eye.' - from Frieda Hughes's introduction to Ariel

A beautiful gift hardcover edition, with the original 1960s cover design.

Sylvia Plath's famous collection, as she intended it. When Sylvia Plath died, she not only left behind a prolific life but also her unpublished literary masterpiece, Ariel. When her husband, Ted Hughes, first brought this collection to life, it garnered worldwide acclaim, though it wasn't the draft Sylvia had wanted her readers to see. This facsimile edition restores, for the first time, Plath's original manuscript -- including handwritten notes -- and her own selection and arrangement of poems. This edition also includes in facsimile the complete working drafts of her poem "Ariel," which provide a rare glimpse into the creative process of a beloved writer. This publication introduces a truer version of Plath's works, and will no doubt alter her legacy forever. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Winter Trees has descriptive copy which is not yet available from the Publisher.

Sylvia Plath was, for both English and American poetry, one of the defining voices of twentieth-century, and one of the most appealing: few other poets have introduced as many new readers to poetry. Though she published just one collection in her lifetime, *The Colossus*, and a novel, *The Bell Jar*, it was following her death in 1963 that her work began to garner the wider audience that it deserved. The manuscript that she left behind, *Ariel*, was published in 1965 under the editorship of her former husband, Ted Hughes, as were two later volumes, *Crossing the Water* and *Winter Trees* in 1971, which helped to make Sylvia Plath a household name. Hughes's careful curation of Plath's work extended to a *Collected Poems* and a *Selected Poems* in the 1980s, which remain in print today and stand testimony to the 'profound respect' that Frieda Hughes said her father had for her mother's work. It was not until the publication of a 'restored' *Ariel* in 2004 that readers were able to appraise Plath's own selection and arrangement of her work. This edition of the poems, chosen by the Poet Laureate Carol Ann Duffy, offers a fresh selection of Sylvia Plath's poetry to stand in parallel to the existing editions. Introduced with an inviting preface, the book is essential reading for those new to and already familiar with the work of this most extraordinary poet.

A timeless collection of stories for younger children. In the eponymous *The It-Doesn't-Matter Suit*, little Max Nix is on a quest to find the perfect suit he can go ice-fishing, cow-milking and town-walking in. There's magic afoot in *Mrs Cherry's Kitchen* and children will love to find their perfect *Night-night little / Turn-out-the-light little Bed!* in *The Bed Book*.

"What I fear most, I think, is the death of the imagination. . . . If I sit still and don't do anything, the world goes on beating like a slack drum, without meaning. We must be moving, working, making dreams to run toward; The poverty of life without dreams is too horrible to imagine." — Sylvia Plath, "Cambridge Notes" (From *Notebooks*, February 1956) Renowned for her poetry, Sylvia Plath was also a brilliant writer of prose. This collection of short stories, essays, and diary excerpts highlights her fierce concentration on craft, the vitality of her intelligence, and the yearnings of her imagination. Featuring an introduction by Plath's husband, the late British poet Ted Hughes, these writings also reflect themes and images she would fully realize in her poetry. *Johnny Panic and the Bible of Dreams* truly showcases the talent and genius of Sylvia Plath.

A major literary event: the first volume in the definitive, complete collection of the letters of Sylvia Plath—most never before seen. One of the most beloved poets of the modern age, Sylvia Plath continues to inspire and fascinate the literary world. While her renown as one of the twentieth century's most influential poets is beyond dispute, Plath was also one of its most captivating correspondents. *The Letters of Sylvia Plath* is the breathtaking compendium of this prolific writer's correspondence with more than 120 people, including family, friends, contemporaries, and colleagues. *The Letters of Sylvia Plath* includes her correspondence from her years at Smith, her summer editorial internship in New York City, her time at Cambridge, her experiences touring Europe, and the early days of her marriage to Ted Hughes in 1956. Most of the letters are previously unseen, including sixteen letters written by Plath to Hughes when they were apart after their honeymoon. This magnificent compendium also includes twenty-seven of Plath's own elegant line drawings taken from the letters she sent to her friends and family, as well as twenty-two previously unpublished photographs. This remarkable, collected edition of Plath's letters is a work of immense scholarship and care, presenting a comprehensive and historically accurate text of the known and extant letters that she wrote. Intimate and revealing, this masterful compilation offers fans and scholars generous and unprecedented insight into the life of one of our most significant poets.

Sylvia Plath: Drawings is a portfolio of pen-and-ink illustrations created during the transformative period spent at Cambridge University, when Plath met and secretly married poet Ted Hughes, and traveled with him to Paris and Spain on their honeymoon, years before she wrote her seminal work, *The Bell Jar*. Throughout her life, Sylvia Plath cited art as her deepest source of inspiration. This collection sheds light on these key years in her life, capturing her exquisite observations of the world around her. It includes Plath's drawings from England, France, Spain, and New England, featuring such subjects as Parisian rooftops, trees, and churches, as well as a portrait of Ted Hughes. *Sylvia Plath: Drawings* includes letters and diary entries that add depth and context to the great poet's work, as well as an illuminating introduction by her daughter, Frieda Hughes.

Sylvia Plath (1932-1963) was one of the writers that defined the course of twentieth-century poetry. Her vivid, daring and complex poetry continues to captivate new generations of readers and writers. In the Letters, we discover the art of Plath's correspondence. Most has never before been published, and it is here presented unabridged, without revision, so that she speaks directly in her own words. Refreshingly candid and offering intimate details of her personal life, Plath is playful, too, entertaining a wide range of addressees, including family, friends and professional contacts, with inimitable wit and verve. The letters document Plath's extraordinary literary development: the genesis of many poems, short and long fiction, and journalism. Her endeavour to publish in a variety of genres had mixed receptions, but she was never dissuaded. Through acceptance of her work, and rejection, Plath strove to stay true to her creative vision. Well-read and curious, she simultaneously offers a fascinating commentary on contemporary culture. Leading Plath scholar Peter K. Steinberg and Karen V. Kukil, editor of *The Journals of Sylvia Plath 1950-1962*, provide comprehensive footnotes and an extensive index informed by their meticulous research. Alongside a selection of photographs and Plath's own drawings, they masterfully contextualise what the pages disclose. This selection of later correspondence witnesses Plath and Hughes becoming major, influential contemporary writers, as it happened. Experiences recorded include first books and other publications; teaching; committing to writing full-time; travels; making professional acquaintances; settling in England; building a family; and buying a house. Throughout, Plath's voice is completely, uniquely her own.
