It all began with a strange, mysterious correspondence left for authors Tony DiTerlizzi and Holly Black at a small New England bookstore. Written by three siblings, the letter told of their great-great-uncle Arthur Spiderwick and an unfinished tome filled with eyewitness accounts of creatures otherwise thought to be the stuff of legend.

Presents an introduction to the faerie world, examples of thirty-one faerie species such as boggarts, goblins, sprites and pixies, and instructions on how to prepare for faerie investigations.

When the Grace children go to stay at their Great Aunt Lucinda's worn Victorian house, they discover a field guide to fairies and other creatures and begin to have some unusual experiences.

Meet the boggarts, changelings, pixies, goblins and other creatures of Arthur Spiderwick's magical, fantastical world. From clever and informative introductory sections explaining essential preparations for your own faerie investigations and faerie world basics, to 6 exhaustive sections featuring 31 fabulous faerie species, to an addendum created by Jared Grace, the long-awaited companion to the Spiderwick Chronicles is sure to please any fan of the popular series.--

In the final installment of Beyond the Spiderwick Chronicles, Nick and Laurie had thought they solved their giant problems when they drove all the giants into the sea. But now, the Grace kids have come back to tell them they may have more trouble coming their way! It turns out the giants control the population of Hydra, a dragon like creature that is creating sinkholes all over Florida. But with the mermaids refusing to return the giants to the shore, the nixie's still missing and the threat of a destroyed Florida drawing closer, the kids have to take matters in their own hands. Will Nick and Laurie be able to stop the destruction they unwittingly caused? Can a new giant hunter help save the day? Can Arthur Spiderwick's Field Guide help them out of this or are they on their own? Find out in the final conclusion of the Spiderwick saga!
