requirements,
summarises the relevant
unit content and
includes a series of
specimen questions and
answers. There are three
sections to each guide:
Introduction - includes
advice on how to use the
guide, an explanation of
the skills being tested by
the assessment
objectives, an outline of
the unit or module and,

Read Free As Biology Unit 1

depending on the unit, suggestions for how to revise effectively and prepare for the examination questions. Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to
