A GOOD MORNING AMERICA Book Club Pick! "Kevin Kwan's new book is his most decadent yet." --Entertainment Weekly The iconic author of the bestselling phenomenon Crazy Rich Asians returns with the glittering tale of a young woman who finds herself torn between two men: the WASPY fiancé of her family's dreams and George Zao, the man she is desperately trying to avoid falling in love with. On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. "Your mother is Chinese so it's no surprise you'd be attracted to someone like him," Charlotte teases. The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendng with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her family, her fiancé, the co-op board of her Fifth Avenue apartment building, and ultimately herself as she tries mightily to deny George entry into her world--and her heart. Moving between summer playgrounds of privilege, peppered with decadent food and extravagant fashion, Sex and Vanity is a truly modern love story, a daring homage to A Room with a View, and a brilliantly funny comedy of manners set between two cultures.

This exciting new book explores the present relevance of translation theory to practice. A range of perspectives provides both current theoretical insights into the relevance of theory to translation and also offers first-hand experiences of applying appropriate strategies and methods to the practice and description of translation. The individual chapters in the book explore theoretical pronouncements and practical observations grouped in topics that include theory and creativity, translation and its relation with linguistics, gender issues and more. The book features four parts: it firstly deals with how theories from both within translation studies and from other disciplines can contribute to our understanding of the practice of translation; secondly, how theory can be reconceptualized from examining translation in practice; thirdly reconceptualizing practice from theory; and finally Eastern European and Asian perspectives of how translation theory and practice inform one another. The chapters all show examples from theoretical and practical as well as pedagogical issues ensuring appeal for a wide readership. This book will appeal to advanced level students, researchers and academics in translation studies.

Winner of Best Fiction Title for Singapore Book Awards 2016 Winner of the Singapore Literature Prize for Fiction 2014 Longlisted for the Frank O'Connor International Short Story Award 2014 Selected by The Business Times as one of the Top 10 English Singapore books from 1965–2015 Meet an over-the-hill Pop Yé-yé singer with a faulty heart, two conservative middle-aged women holding hands in the Galápagos, and the proprietor of a Laundromat with a penchant for Cantonese songs of heartbreak. Rehash national icons: the truth about racial riot fodder-girl Maria Hertogh living out her days as a chambermaid in Lake Tahoe, a mirage of the Merlion as a ladyboy working Orchard Towers, and a high-stakes fantasy starring the still-suave lead of the 1990s TV hit serial The Unbeatables. Heartfelt and sexy, the stories of Amanda Lee Koe encompass a skewed world fraught with prestige anxiety, moral relativism, sexual frankness, and the improbable necessity of human connection. Told in strikingly original prose, these are fictions that plough, relentlessly, the possibilities of understanding Singapore and her denizens discursively, off-centre. Ministry of Moral Panic is an extraordinary debut collection and the introduction of a revelatory new voice.

Singapore got sexy and the country's best-selling author got jealous. After five years chasing echidnas and platypuses in Australia, Neil Humphreys returns to Singapore to see if the rumours are true. Like an old girlfriend getting a lusty makeover, the island transformed while Humphreys was away. Singapore is not just a sexier island, it's a different world. So Humphreys embarked upon a nationwide tour to test that theory. He went in search of new Singapore, visiting only locations that either did not exist five years ago or had been extensively rebuilt, renovated or revamped in his absence. From the cloud-topped heights of Marina Bay Sands and Pinnacle@Duxton to making ill-advised bomb jokes at the subterranean tunnels of Labrador Park, Humphreys walks, cycles, kayaks and swims across a rapidly evolving country, meeting Guinness-swinging aunties in Resorts World Sentosa, eccentric toy museum owners in Bugis, political activists in Aljunied and a security guard at Marina Barrage ready to 'tekan' anyone who crosses his path. In new Singapore, Humphreys discovers a country still grappling between the economic rewards of progress at Biopolis and Fusionopolis and the historical cost at Bukit Brown Cemetery.

This book provides a fresh approach to Singapore English, by focusing on its cultural connotations. The author, a native Singaporean, explores a range of aspects of this rich variety of English - including address forms, cultural categories, particles and interjections - and links particular words to particular cultural norms. By using the Natural Semantic Metalanguage (NSM) approach, which is free from technical terminology, he explains the relationship between meaning and culture with maximal clarity, and an added strength of this study lies in its use of authentic examples and pictures, which offer a fascinating glimpse of Singaporean life. Through comparisons with Anglo English, it also explores some difficulties associated with Standard English and cultural misunderstanding. Lending a unique local perspective and written with an incisiveness that makes it ideal for both academic and non-academic readers, this book will appeal to all those interested in Singapore English and its cultural values.
