August Heat - Short Stories and Classic Literature

August Heat was the former detective partner of Barry Allen. August was the only witness to Barry's accident, that turned him into the Flash. While going after a criminal organization called the Black Hole, August was struck by lightning during a Speed Force storm in Central City. He became the Flash's 'partner', but in secret, August became the ruthless vigilante known as Godspeed, and got ...

August Heat (Prime Earth)

----August Heat was first published in Midnight House and Other Tales in 1910. It is told from the perspective of James Clarence Withencroft, a 40-year-old mediocre artist, possibly hours before his death. Having sat in the stifling August heat, Withencroft finds himself sketching hurriedly, the end result depicting a large, sluggish man in a dock. Although unsure as to why he has created ...
