Spiritually Incorrect Mystic. In 1990, Osho prepared for his departure from the body that had served him for fifty-nine years—in the words of his attending physician—“as calmly as though he were packing for a weekend in the country.” Who was this man, known as the Sex Guru, the “self-appointed bhagwan” (Rajneesh), the Rolls-Royce Guru, the Rich Man’s Guru, and simply the Master? Drawn from nearly five thousand hours of Osho’s recorded talks, this is the story of his youth and education, his life as a professor of philosophy and years of travel teaching the importance of meditation, and the true legacy

he sought to leave behind: a religion-less religion centered on individual awareness and responsibility and the teaching of “Zorba the Buddha,” a celebration of the whole human being. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. One of the greatest spiritual teachers of the twentieth century shares his philosophy on self-discovery, free will, and the search for a place and purpose in life. "I myself am a question. I know not who I am. What to do? Where to go?"—Osho *Destiny, Freedom, and the Soul: What Is the Meaning of Life?* explores deeply human questions, such as: Is there really such a thing as "soul," and if so,

One of the twentieth century's greatest spiritual teachers inspires us to experience and appreciate both the elation—and sadness—of Joy: The Happiness That Comes from Within. With an artful mix of compassion and humor, Osho shows us that joy is the essence of life, that even unhappiness has its root in joy. He encourages us to accept joy by being grateful to be alive and for the challenges and opportunities in life, and by finding the good in all that we have—rather than setting conditions or demands for

with money and celebrity. Where does greed come from? Do values like competitiveness and ambition have a place in bringing innovation and positive change? Why do celebrities and the wealthy seem to have so much influence in the world? Is it true that money can't buy happiness? These questions are tackled with a perspective that is thought-provoking, surprising—and particularly relevant to our troubled economic times. Freedom, Osho outlines three stages of freedom. The first is “freedom from,” which is a freedom that comes from breaking out of what he calls the “psychological slavery” imposed by outside forces such as parents, society, or religion. The next stage is “freedom for,” a positive freedom that comes from embracing and creating something—a fulfilling relationship, for example, or an artistic or humanitarian vision. And lastly there is “just freedom,” the highest and ultimate freedom. This last freedom is more than being for or against something; it is the freedom of simply being oneself and
