This volume of the Navarre Bible commentaries sheds light on the four “major” prophets of the Old Testament: Isaiah, Jeremiah, Ezekiel, and Daniel. In the language of the Bible, the words “prophet”, “prophecy” etc. have quite a broad meaning, but all refer primarily to the idea of “speaking in the name of God”.

The main feature of the English edition of the Navarre Bible New Testament, Standard Edition is the commentary. More comprehensive than the The Navarre Bible: New Testament, the notes and introductions--rarely very technical--are designed to illuminate the spiritual and theological message of the Bible. The Standard Edition is replete with quotations from commentaries by the Fathers, as well as excerpts from other spiritual writers--not least among them, St. Josemaria Escrivá--provided ...

This edition of the internationally acclaimed Navarre Bible commentary series covers the historical books of the Old Testament: Joshua, Judges, Ruth, 1 and 2 Samuel, and 1 and 2 Kings. These Biblical books trace the fortunes of the people of Israel from their entry into and conquest of the Promised Land to the conquest of Israel and the captivity in Babylon. This handsome hardcover volume contains all the study aids that have made the Navarre Bible the preferred commentary for all serious Catholic Biblical students: the complete Latin and English texts of each book; exhaustive commentary based on the writings of the great saints and doctors of the Church; explanatory charts and maps; and a wealth of introductory material to help the reader situate each book in its proper historical and Biblical context.

This volume of the Navarre Bible commentaries unlocks the mysteries of a wide-ranging sequence of Old Testament books: the historical books of Chronicles, Ezra, Nehemiah, and Maccabees and the little-known but pivotally important books of Tobit, Judith, and Esther. In these books you'll find the rich and instructive stories of Kings David and Solomon, the Babylonian exile, and its aftermath; the heroism of the Maccabees who gave their lives to preserve their faith in God; and the deep faith and awareness of divine blessing that invests the books of Tobit, Judith, and Esther.

This book, a companion volume to Gospels and Acts, is an omnibus edition comprising four titles in the Navarre Bible New Testament. These are: Romans and Galatians, Corinthians, Captivity Letters (Ephesians, Philippians, Colossians and Philemon), and Thessalonians and Pastoral Letters - all the texts directly attributed to St Paul. The Navarre Bible Reader's Edition contains the full biblical text in the Revised Standard Version with notes or commentaries.

Revised Standard Version Catholic Edition with Introduction and notes by theology staff of the University of Navarre. Accompanied by New Vulgate Text.

This volume, which follows the pattern of the highly successful Navarre Bible New Testament, consists of the Revised Standard Version and the New Vulgate with a Commentary by members of the Faculty of Theology at the University of Navarre, Spain.Whereas the first five books of the Old Testament - the Pentateuch - record the Law of Moses in the form of commandments, the Wisdom Books propound that teaching in the form of counsels and proverbs. They also reveal the close connection between knowledge that comes through faith, and knowledge acquired through human reasoning.

Revised Standard Version Catholic Edition with Introduction and notes by theology staff of the University of Navarre. Accompanied by New Vulgate Text.

Sacra Pagina is a fresh series of translations and expositions of the books of the New Testament. The volumes provide basic information as well as sound, critical analysis in a highly readable manner. Each author has adopted a specific methodology while focusing on the issues raised by the New Testament compositions themselves.

This engaging commentary on the Gospel of Matthew is the fifth of seventeen volumes in the Catholic Commentary on Sacred Scripture (CCSS), which will cover the entire New Testament. This volume, like each in the series, relates Scripture to life, is faithfully Catholic, and is supplemented by features designed to help readers understand the Bible more deeply and use it more effectively. Praise for the CCSS: "These commentaries are both exegetically sound and spiritually nourishing. They are indispensable tools for preaching, catechesis, evangelization, and other forms of pastoral ministry."--Thomas G. Weinandy, OFM Cap, United States Conference of Catholic Bishops
