shortest possible time. Guides to growing in small gardens, in containers, and in window boxes. How to select and plant the quickest growing varieties of vegetables.

If you love the joys of eating

# Read Online Backyard Winter Gardening

home-garden vegetables but always thought those joys had to stop at the end of summer, this book is for you. Eliot Coleman introduces the surprising fact that most of the United States has more winter sunshine than the south of France. He shows how

# Read Online Backyard Winter Gardening

North American gardeners can successfully use that sun to raise a wide variety of traditional winter vegetables in backyard cold frames and plastic covered tunnel greenhouses without supplementary heat. Coleman expands upon his own

# Read Online Backyard Winter Gardening

experiences with new ideas learned on a winter-vegetable pilgrimage across the ocean to the acknowledged kingdom of vegetable cuisine, the southern part of France, which lies on the 44th parallel, the same latitude as his farm in Maine. This story of

# Read Online Backyard Winter Gardening

sunshine, weather patterns, old limitations and expectations, and new realities is delightfully innovative in the best gardening tradition. Four-Season Harvest will have you feasting on fresh produce from your garden all through the winter. To learn more

# Read Online Backyard Winter Gardening

about the possibility of a four-season farm, please visit Coleman's website [www.fourseasonfarm.com](http://www.fourseasonfarm.com).
