Clear concise instructions alongside the diagrams ensure a good understanding of each project. The book starts out with two simple necklaces, then zooms into space with starry holiday patterns for 10 minute earrings, a necklace and bracelet. Then it's on to snowflake patterns that show how to incorporate medallions into earrings, bracelets and necklaces. Next are simple chain link patterns that turn into beautiful flower chokers. Native American patterns for flower and leaf necklaces, as well as friendship bracelets and a flowingtipple necklace, follow. After a braided headband, simple daisy chain patterns are presented, along with directions on turning them into wide flowery band bracelets and a daisy purse. Elaborate patterns for a very regal necklace and colorful Romanian collars follow. The last patterns of the book show how to make a wide colorful Guaymi collar, a Zulu belt, a Princess necklace that will enchant little and big girls alike, netted triangle necklaces, and a Moorish necklace of netted diamonds. Six pages of color photographs add to the beauty of this 42 page book. A cultural cornucopia of jewelry to be truly enjoyed. A great new release no-one will want to miss!
