How to find my small engine serial/model number? | Briggs ...
The model number on a Briggs & Stratton engine is typically stamped directly onto the engine, onto the valve cover, or printed on a label that is affixed to the engine. The model number will be 11 or 12 digits and can be found in one of many locations, including: by the starter, on the cylinder shield, on the metal shield, on the valve cover, above the spark plug, in front of the engine, above the muffler, or on the fuel tank.
