As expressed by Jorge Bucay and Silvia Salinas in this revealing book, an unbreakable bond between lovers can only be established when we are willing to see our partner as they are, not as we'd wish them to be. Couples must love themselves without delusions. Learning to love with open eyes inspires us to build affectionate, fulfilling and lasting relationships that can dispel the notions of "relationship crises".

For Jorge Bucay, an essential part of his work as a Gestalt psychotherapist consists of relating to his patients meaningful narratives that shed some light on the significant problems of the human condition. Assuming such a practice, we are given this novel written with Silvia Salinas, a psychotherapist from the same school, specializing in couples. A man and a woman get to know each other via email. Between the vagaries of the computer, the indispensable @, and the messages that come and go, a fascinating story develops about postmodern love, but also a timeless reflection on the aims and the challenges of the couple. Love Each Other with Open Eyes is a book with curative properties for those who want to repair a wounded relationship, or initiate a new one. His clinical experience as a Gestalt psychoanalyst and his undeniable knowledge derived from his own life converge in the written word of the Argentinean Bucay. Un hombre y una mujer se enredan a través del correo electrónico, dando comienzo al mismo tiempo a una fascinante historia y a un audaz libro de reflexión sobre el sentido de la pareja.

An innovative self-help program draws on a multitude of sources--including folktales, the Bible, Eastern philosophy, and the Torah--to explain how to overcome unhealthy behavior patterns by emphasizing the concept of "self-dependence" to promote self-awareness, personal happiness, independence, and successful relationships with others. Reprint. 20,000 first printing.

If life is about the journey and not the destination, could it be that this is heaven--this physical life we are living here on Earth? What we experience in our daily lives often feels like anything but heaven. But what if we understood how powerful we are--that we are powerful enough to mold both our internal and our external reality? Anita Moorjani, the New York Times bestselling author of Dying to Be Me, is convinced we can do exactly that. The process, she explains, requires dismantling many cultural myths mistaken for indisputable truths. Beliefs such as "We get what we deserve," "Loving ourselves is selfish," and "Coincidences are just that--coincidences," are ingrained within us from birth, pervasive and influential, leading to generations of misguidance. Following her near-death experience, Moorjani began to embody truths she learned in the other realm, discovering that letting go of these outmoded myths allowed her to experience heaven not as a physical place but as a state of mind, right here and right now. In this examination of our common myths, she shares stories and examples from her own life, revealing the lies beneath the surface of what she was taught and absorbed. By freeing ourselves from these falsehoods, Moorjani asserts, we can leave fear, heartache, and self-imposed boundaries behind and instead live lives full of purpose and joy.

A comic classic of world literature, Aleko Konstantinov's 1895 novel Bai Ganyo follows the misadventures of rose-oil salesman Ganyo Balkanski (Bai is a Bulgarian title of intimate respect) as he travels in Europe. Unkempt but endearing, Bai Ganyo blusters his way through refined society in Vienna, Dresden, and St. Petersburg with an eye peeled for pickpockets and a free lunch. Konstantinov's satire turns darker when Bai Ganyo returns home--bullying, bribing, and rigging elections in Bulgaria, a new country that had recently emerged piecemeal from the Ottoman Empire with the help of Czarist Russia. Bai Ganyo has been translated into most European languages, but now Victor Friedman and his fellow translators have finally brought this Balkan masterpiece to English-speaking readers, accompanied by a helpful introduction, glossary, and notes. Winner, Bulgarian Studies Association Book Prize Finalist, Foreword Magazine's Multicultural Fiction Book of the Year Winner, John D. Bell Book Prize, Bulgarian Studies Association Best Books for Special Interests, selected by the American Association for School Libraries Best Books for High Schools, selected by the American Association for School Libraries Best Books for Special Interests, selected by the Public Library Association

A mighty ruler discovers someone in his kingdom has more power than himself. But when the king sets out to destroy this fearsome enemy, a humble magician, the tables are turned, and an unexpected journey begins. In this beautifully illustrated story with a timeless message, a feared and cruel king learns of a wise magician in his kingdom who is rumored to be even more powerful than himself. The magician can predict the future, and even worse, he is more popular than the fearsome king. Jealous and insecure, the enraged king plots to destroy this "enemy." But, being a magician, he has a trick up his sleeve that saves his own life and the king's. With help from an unexpected friend, the king transforms from a feared and brutal monarch to a beloved leader. Enduring messages about the power of wisdom and compassion are conveyed in a classic storytelling style and outstanding, original artwork.

Un libro con propiedades curativas para quien desea reparar una relación lastimada o iniciar una nueva. Se dice que el amor es ciego. Sin embargo, como muestran Jorge Bucay y Silvia Salinas en este revelador libro, el verdadero vínculo amoroso, el más profundo y duradero, solamente surge cuando estamos dispuestos a abrir los ojos y ver al otro tal cual es y no como quisiéramos que fuera o como nos imaginamos que debería ser. Es necesario reconocer verdades que contradicen muchas de nuestras creencias, fantasías y lugares comunes. Aceptar, por ejemplo, que no existen las parejas sin conflictos. Más aún, que los conflictos dentro de la pareja son los que vuelven atractivo estar con el otro. Amarse con los ojos abiertos es un valioso instrumento que nos inspirará a crear una relación afectiva más duradera, madura y satisfactoria, y que desafía el mito en torno a la llamada "crisis de la pareja".

Over 2 million copies sold worldwide Let Me Tell You a Story is a tender and delicate book about the search for happiness. Demián is highly strung young man, curious about the world and himself, but he has difficulty facing some of life's everyday problems, those concerning work, his love life, and relationships with friends and family. He is eager to know more about himself and to learn how to confront life with gusto and serenity. In short, he wants what all of us want: to be happy and fulfilled. Demián finds Jorge, an unconventional psychoanalyst who approaches Demián's dilemma in an unconventional way. Every day, Jorge tells Demián a story. At times they are classic fables, others modern stories, or folk tales, stories that have been revisited and reshaped by the analyst to help his young friend overcome his doubts and find happiness. They are, in short, stories that can help every one of us better understand ourselves, our relationships, and our fears.

Unlucky in love Jo is dragged along to see a clairvoyant by her two coupled-up best friends, and is told that there's only one boy for her. The trouble is, the last time she saw him was in a past life, when she worked as a governess to his younger brother. The clairvoyant tells her that as she is back in this life, so is he, and she must find him if she is ever to know true happiness and love. Jo doesn't believe a word of it - but then a series of events begin to change her mind. Could her one true love really be out there? In her quest to find the One, she visits psychics and cemeteries - but will she even be able to recognize her soul-mate when she finds him? Or is she destined to continue looking for love for all of time?
