NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

In this versatile and engaging textbook the authors integrate diverse, global examples with coverage of all key topics to produce the most practical and multi-perspective international business environment textbook. Students are supported in their learning with chapter summaries, diagrams, and a comprehensive glossary, but also challenged by counterpoint boxes, learning tasks, and review questions in every chapter, encouraging critical thinking and research skills. Even with its comprehensive breadth of coverage, The International Business Environment remains concise and accessible through use of the PESTLE framework to steer its analysis. Now in its fourth edition, this book is the ideal companion to any international business environment course.New to this EditionAn extensive refresh of case studies across the book ensures that the most contemporary developments in global businesses are available for exploration and analysis. These include the exploits of companies like Google, Netflix, Uber, and Apple, as well as international developments such as Brexit, the Trump presidency, China's One Belt One Road project, and Saudi Arabian women's rights.New contributors join the author team to offer their relevant expertise on the different contexts of the international business environment.Figures, tables, and statistics have been updated throughout to give the latest picture and provide the most up-to-date analysis.This title is available as an eBook. Please contact your Sales and Learning Resource Consultant for more information.

Enid Lambert begins to worry about her husband when he starts to withdraw and lose himself in negativity and depression as he faces Parkinson's disease. Winner of the National Book Award. Reprint. 500,000 first printing.

The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY "The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this." -George R.R. Martin "Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy." -Joe Hill "A very knowing and wonderful take on the wizard school genre." -John Green "The Magicians may just be the most subversive, gripping and enchanting fantasy novel I've read this century." -Cory Doctorow "This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story." -The New Yorker "The best urban fantasy in years." -A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he's secretly fascinated with a series of children's fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book The Magician King and the #1 bestseller The Magician's Land, The Magicians is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.
