Oil Shale, in brief:

The oil industry has captured key

democratic

institutions in both

Alberta and

Ottawa. Taft begins

his book with a

perceptive

observer's account

of a recent court

case in Ottawa

which laid bare the

tactics and

Download Ebook Calgary

Oil Shale
Technologies
Case Analysis

techniques of the industry, its insiders and lobbyists. He casts dramatic new light on exactly how corporate lobbyists, politicians, bureaucrats, universities, and other organizations are working together to pursue

Download Ebook Calgary

the oil industry's agenda. He offers a brisk tour of the recent work of scholars who have developed the concepts of the deep state and institutional capture to understand how one rich industry can override the public interest. Taft

Download Ebook Calgary

views global warming and weakened democracy as two symptoms of the same problem — the loss of democratic institutions to corporate influence and control. He sees citizen engagement and direct action by the

Download Ebook Calgary

Oil shale is the only response that can unravel big oil's deep state.

Includes all works deriving from DOE, other related government-sponsored information and foreign nonnuclear information.

This illuminating
