In a Community Property State, all assets (including income) purchased or earned during a marriage is deemed to be the property of both spouses unless both spouses have specifically agreed that it is separate property. Any assets considered to be community property are automatically 100% inherited by the surviving spouse. There is one exception to the community property rule: money or property inherited by one spouse during a marriage is always considered separate property.

**What Is Community Property and How Does it Affect Probate** **---**

All property that a couple acquires during marriage is considered marital, or community property in California. A couple's community property must be divided equally if there is no written agreement (such as a prenuptial agreement) requiring a particular division of property. A judge will subtract a couple's debts from their community property assets to determine the net community estate.

**What Can I Do to Avoid California's Community Property** **---**

Since 2001 (and 2003 for domestic partners), California probate law has introduced Community Property with Right of Survivorship (CPWROS). When real property is held in CPWROS, the property passes to the surviving partner or spouse automatically. And the entire property is stepped up in basis value. This means that no capital gains tax is due when the surviving spouse or partner sells the property.

It includes actual Bar Exam questions, as well as actual law school exam questions, which are followed by analysis.

Written by a recognized expert on community property and family law issues in California, Grace Ganz Blumberg's comprehensive casebook prepares students for the California bar examination and equips them for California practice in the areas of divorce, decedents–estates, and debtor-creditor law. Community Property in California carefully balances cases, notes, questions, and problems for student comprehension. Because community property is a relatively narrow subject involving the interplay of state legislation and case law, the casebook is structured to encourage students to develop and refine their analytic skills and to enable professors to guide their students in doing so. Comparative text puts California law into context by including references to the Uniform Marital Property Act and the marital property chapter of the American Law Institute's Principles of the Law of Family Dissolution. Key Features: Recent developments in the law of transmutation including In re Marriage of Valli, which extended the reach of the transmutation statutes to spousal transactions with third parties, overruling prior case law. Resolution of the good-faith issue in putative spouse doctrine: A putative spouse need only have a subjective good faith belief that she is married. Ceja v. Rudolph and Sletten, Inc. Update on the constitutional right of same-sex couples to marry. Developments in judicial enforcement of the statutory disclosure rules at divorce.

Written by a recognized expert on community property and family law issues in California, Grace Ganz Blumberg's comprehensive casebook prepares students for the California bar examination and equips them for California practice in the areas of divorce, decedents' estates, and debtor-creditor law. Community Property in California carefully balances cases, notes, questions, and problems for student comprehension. Because community property is a relatively narrow subject involving the interplay of state legislation and case law, the casebook is structured to encourage students to develop and refine their analytic skills and to enable professors to guide their students in doing so. Comparative text puts California law into context by including references to sister-state law, the Uniform Marital Property Act and the marital property chapter of the American Law Institute's Principles of the Law of Family Dissolution. New to the 8th Edition: The California Supreme Court's 2020 decision, In re Brace, which upended almost a century of community property law, leaving many unresolved questions in its wake. Critical notes on the origins and subsequent development of the Pereira/Van Camp business apportionment doctrine. Further treatment of the Family Code section 4 rule requiring that current family law be applied to events occurring before its effective date, with particular attention to the enforceability of premarital agreements entered under prior law. Professors and students will benefit from: Problems and questions for stimulating class discussion Through preparation for the community property essay question on the California bar examination A casebook that students enjoy reading A focus on enhanced lawyering skills, with emphasis on problem solving

A favorite among successful students, and often recommended by professors, the unique Examples & Explanations series gives you extremely clear introductions to concepts followed by realistic examples that mirror those presented in the classroom throughout the semester. Use at the beginning and midway through the semester to deepen your understanding through clear explanations, corresponding hypothetical fact patterns, and analysis. Then use to study for finals by reviewing the hypotheticals as well as the structure and reasoning behind the accompanying analysis. Designed to complement your casebook, the trusted Examples & Explanations titles get right to the point in a conversational, often humorous style that helps you learn the material each step of the way and prepare for the exam at the end of the course. The unique, time-tested Examples & Explanations series is invaluable to teach yourself the subject from the first day of class until your last review before the final. Each guide helps you learn new material by working through chapters that explain each topic in simple language challenges your understanding with hypotheticals similar to those presented in class provides valuable opportunity to study for the final by reviewing the hypotheticals as well as the structure and reasoning behind the corresponding analysis quickly gets to the point in conversational style laced with humor remains a favorite among law school students is often recommended by professors who encourage the use of study guides works with ALL the major casebooks, suits any class on a given topic provides an alternative perspective to help you understand your casebook and in-class lectures

What happens to your estate after you are gone is very much within your control. Estate planning is not only for the wealthy; it is for everyone. It is simply the process of deciding where your assets are to be distributed after your death. For those people who wish to preserve their assets for designated purposes such as family or special charities it becomes necessary to make special advance preparations. To ensure your assets are protected and final wishes are carried out, there are some common actions that should be taken now. Proper estate planning allows you to plan for yourself and your loved ones without giving up control of your affairs. Your estate plan should also allow for the possibility of your own disability. It should detail what you own and whom you want to leave it to at a time of your choosing and the way you want. Your estate plan should include fully disclosed, controlled costs for you and your loved ones. The last thing you want to worry about is having your estate drained of value through taxes and legal costs. The right plan can protect the value of your estate and spare your loved ones unnecessary hassles and legal conflicts. The Complete Guide to Planning Your Estate in California will help you glide through this complicated process. This new book has been adapted to offer California residents state-specific advice for estate planning. Co-authors Margo Pierce and Linda C. Ashar, attorneys at law, have crafted an estate planning primer, allowing California residents to become more informed and more involved during the process. Many books on estate planning indicate you do not need the services of an attorney, but this book highly recommends using an attorney versed in this area: You should not go through the process alone. This book is intended explain the complicated issues, terminology, and planning strategies of estate planning so when you do meet with a qualified attorney, you will be well prepared. You will understand the legal terms and be ready to discuss issues and strategies with familiarity, saving you time and legal fees and ensuring peace of mind. California-specific information is offered throughout this book, including: California's probate code; California rules, regulations, and laws specific to estate planning; elements of a valid California will; planning your living will in California; explanations of In California diana laws regarding durable health care power of attorneys, do not resuscitate (DNR) orders, and directives to withhold CPR. The book's easy-to-understand context clarifies this complicated and sensitive subject and gives readers the power to take control of their future. Estate planning should be a positive experience. It involves reviewing your situation and planning for your future. Although few people want to think about the possibility of disability or disease, advance planning is also a way to show your love and to reduce potential distress later. Other books offer a non-state-specific overview of estate planning, causing many readers to be misinformed about rules and regulations particular to their state; but, this new book provides information California residents need to know. Do not get outdated or wrong information that does not pertain to you specifically. Use this new book to craft an estate plan that is not only legally sound but also fully carries out your last wishes and protects your loved ones. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's(company) garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Every book has resources, contact information, and web sites of the products or companies discussed.

A PRACTICAL TAKE ON PROTECTING YOUR CLIENTS' ASSETS The only legal treatise on asset protection planning specific to California! An in-depth discussion of law, legal theory and the practicalities of implementing asset protection. The book is full of real-world client anecdotes and practical takeaways.

This book is Part One of attorney Ed Sherman's famous "How to Do Your Own Divorce in California." This is where you get essential information for any kind of divorce—how California divorce laws affect your income, property, debts and children. Most important, you'll learn how to solve disagreements without going to court. There are references to Part Two, but if you do not plan to do your own paperwork, you won't need Part Two unless you want to use it to supervise a professional you hired to do your paperwork for you. If you decide you want the whole kit, you can get it for 50% off, so you won't end up paying more than if you had bought "How to Do Your Own Divorce" in the first place. Specific to California, this book gives you practical and legal advice in clear, simple language that will answer your questions and guide you to a faster, smoother, less painful and less expensive divorce. Shows you how to stay out of court and complete your divorce with little or no help from an attorney. How to: • reduce conflict and avoid court battles • divide property fairly without a fight • deal with spousal support • deal with child support, custody and visitation • draft a settlement agreement
