Calm is the #1 app for sleep and meditation. Join the millions experiencing better sleep, lower stress, and less anxiety.

Calm - The #1 App for Meditation and Sleep

If you choose the first method, you want to know that your awareness already catches yourself about 6 times a day so you can make sure you are doing this enough. 2. When the alarm goes off, or when you notice yourself, stop what you are doing and take a couple of deep breaths.

How To Stay Calm & Present Throughout The Day

One technique to develop forgiveness so we can stay calm at work is meditation. The problems of life will not end. However, through meditation we can focus our attention on the peace within so we can rise above life `s difficulties. Through meditation we are in touch with a place of calm within us that gives us the strength to forgive others, overcome anger, and stay calm at work. We cannot control others at our job, but we can control ourselves. At work, we can choose peace and calm which ...

Remaining calm at work - Daily Excelsior

There's lots of evidence that daily exercise can help promote feelings of well-being — and boost your immunity. For instance, this study found that physical activity protects against symptoms of...
