Virtually everything we think and do is generated by questions. Questions push us into new territories. The future begins with our thinking, represented by the questions we ask ourselves. *Change Your Questions, Change Your Life* shows readers how to consistently choose the questions that can lead them to success, both personally and professionally. This technique, called "QuestionsThinking," stimulates innovation, accelerate productivity, and create more rewarding relationships.

35 Questions That Will Change Your Life -
Forbes

10 Questions to change your life: 1. Am I truly happy in the job I am doing? We spend nearly a quarter of our lives working. If we are not happy in that job it means we are unhappy for nearly a quarter of our lives. Most of us have to work and most of us are not doing a job we love, however it's difficult to do a job we love and put money

Goodnet **Marilee G Adams**

One thing that sparks change in our lives is through asking questions. As the saying goes, "Ask and you shall receive," is truer than ever. When we ask the right question, we get the right answer. And when we ask insightful and thought-provoking questions, we can change our lives and live better.
