There is a significant connection between ecumenism and world peace. Anyone who feels a sense of obligation toward the world community, who takes seriously the fragility of all human arrangements, who has glimpsed the possibilities of technical and human error, must know what is at stake here. He must know that the threat to peace and the need to regulate it have long since burst

through the dimensions of the specific, regional conflict, and have become global political problems on which the survival of us all depends. The most fanatical, the cruelest political struggles are those that have been colored, inspired, and legitimized by religion. To say this is not to reduce all political conflicts to religious ones, but to take seriously the fact that religions share in the responsibility for bringing peace to our torn and warring world.

religious traditions, the volume demonstrates how belief systems can shape both an individual's and a society's culture, worldviews, and sense of belonging. The book features distinct emphasis on the religious traditions of Asia, presenting readers with information on beliefs and practices that may be unfamiliar or new to them, expanding their understanding and appreciation of others' traditions. The book begins by introducing students to the basics of religion, including key concepts and features of religion, representations of the divine, and the connection between nature and religion in

early traditions. Additional chapters provide students with valuable insight and enlightening readings on Jainism, Buddhism, Sikhism, Chinese religion, Shinto, Zoroastrianism, Judaism, Christianity, and Islam. Throughout, key terms, contextual introductions, discussion questions, and suggestions for further reading are provided. Written to expand students' knowledge and understanding of global traditions, Paths of the Divine is an ideal text for introductory courses in humanities, theology, and world religions. Undergraduate studies, after undergoing a truly transformational experience during an introductory comparative religion course. After his initial transformational experience, Jason undertook a personal journey to learn more about the various religions of the world in order to gain a better understanding of the ties that unite humanity, as well as his own true nature, and ultimately God. What began as personal notes from his studies and journeys became the genesis of this book. Rather than the normal dry recitation of facts that highlight the differences among the world religions, in The

As she unfolds the experiences and threefold path of the Christian mystics, you will learn about the indwelling presence, the Christ within, and your divine identity as well as what the mystics had to say about the dark night, soul testing and trials, and the living flame of love. You will explore the mystics' practices of contemplation, interior and spoken prayer, and visualization. Elizabeth Clare Prophet also shares her own profound perspectives on the mystics' personal relationship with God and describes how you can walk the mystic

Buddhism, Islam, and Judaism—and the beliefs of each with those of Christianity. He deals openly and honestly with questions people ask about other religions like: Why are there so many different religions? How should Christians view other religions? How is God at work in other religions? What is the fate of those who earnestly pursue God through other religions? In examining these major world religions and the beliefs of their followers, Hamilton urges us as Christians to build bridges with others so that we might grow in our faith, seek peace in our world, love our neighbor, and find positive ways to
