A new standalone romance from the New York Times bestselling author of *Twist Me* and *The Krinar Chronicles* Emily Ross never expected to survive her deadly fall in the Costa Rican jungle, and she certainly never thought she 'd wake up in a strangely futuristic dwelling, held captive by the most beautiful man she 'd ever seen. A man who seems to be more than human... Zaron is on Earth to facilitate the Krinar invasion—and to forget the terrible tragedy that ripped apart his life. Yet when he finds the broken body of a human girl, everything changes. For the first time in years, he feels something more than rage and grief, and Emily is the reason for that. Letting her go would compromise his mission, but keeping her could destroy him all over again. NOTE: This is a full-length, standalone romance that takes place approximately five years before *The Krinar Chronicles* trilogy (aka Mia & Korum 's story). You do not have to have read that trilogy to enjoy this book.

Quando Delia ve a aquel hombre desnudo salir del mar embravecido, se da cuenta de que tiene que ser mucho más que humano. Hermoso y poderoso, ese extraño que parece un dios la salva de una muerte segura, pero su rescate tiene un precio: ella misma. Nota: Arrastrada por la tormenta es una novela corta/relato de aproximadamente 8,000 palabras (50 páginas impresas) ambientada en el universo de las *Crónicas de Krinar*. Trata del inicio de la relación entre Arus y Delia en la antigua Grecia. Puede leerse como una historia independiente o después de la trilogía de las *Crónicas de Krinar*.

When Ralen, a Krinar Guardian, is tasked with guarding Jessie Lin against the Resistance, protection turns into obsession, and he continues to watch her long after the assignment ends. Nothing will stop him from taking Jessie for his own—not the risk of being expelled from the Guardians, not Jessie's human boyfriend, Edgar, and not even Jessie herself. Once Jessie takes the step to deepen her relationship with Edgar by introducing him to her extremely traditional Chinese-American parents, Ralen crosses the line and claims her for his own. Will Jessie forgive the unforgivable? Can love grow from obsession?

What happens in an alien sex club stays in an alien sex club, right? Well... not if you pen an exposé on the place. And certainly not if you omit the fact that the experiences in the article are your own. Or if the Krinar you 've hooked up with is the club's owner, whose many kinks involve blackmail and mind games. For a young journalist out to prove herself, it's all about landing the next big story. Until it becomes all about landing in a possessive alien's penthouse bed. Note: This full-length novel combines two previously published works—*The X-Club*, a short story by Anna Zaires, and *Vair*, the sequel written by Hettie Ivers. It also contains an all-new, expanded ending and an epilogue featuring Mia & Korum.
