Code X was built from the ground
up to help teachers teach,
practice, and master the Common
Core State Standards for
ELA/Content-Area Literacy. HMH
has identified five principles that
represent the key shifts in
curriculum and instruction within
the Common Core. Code X uses
these principles as the framework

It should, of course, be obvious that the disenfranchisement of the past inherent in the Common Core's manic pursuit of novelty is not only an abandonment of the wisdom of the dead but also a disenfranchisement of the unborn. In denigrating and deriding the Great Books of Western Civilization, and the great ideas that informed them, the ...
