These pacing guides are to serve as a guide to what you student is learning in the classroom at any point throughout the year. The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math.

Bookmark File PDF Common Core Math Pacing

Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.
