Relationship-centered care (RCC) is a
clinical philosophy that stresses

File Type PDF Complex Responsive Processes In

partnership, careful attention to relational process, shared decision-making, and self-awareness. A new complexity-inspired theory of human interaction called complex responsive processes of relating (CRPR) offers strong theoretical confirmation for the principles and practices of RCC, and

File Type PDF Complex Responsive Processes In

thus may be of interest to communications researchers and reflective practitioners.

A New Theoretical Foundation for Relationship-centered Care
theory of 'complex responsive processes'. In my reading, his

File Type PDF Complex Responsive Processes In

approach hangs on two central theses. First, the distinction between the individual and the social is judged as being unhelpful, because only through communicative interaction is meaning produced. Second, the
