The standards provide a blueprint for curriculum development, instruction and assessment for

effective health and physical education programs. The primary focus of the standards is on the development of knowledge and skills that influence life-long healthy behaviors within the context of self, family, school and the local and global communities.

~~New Jersey Student Learning Standards: Comprehensive ...~~

Purpose of Comprehensive Health and Physical Education ¶In the great work of education, our physical condition, if not the first step in point of importance, is the first in order of time. On the broad and firm foundation of health alone can the loftiest and most enduring structures of the intellect be reared. ¶ ~Horace Mann

~~2020 CAS – Physical Education Standards Introduction | CDE~~

An effective health education curriculum has the following characteristics, according to reviews of effective programs and curricula and experts in the field of health education 1-14: Focuses on clear health goals and related behavioral outcomes. Is research-based and theory-driven. Addresses individual values, attitudes, and beliefs.

~~Characteristics of Effective Health Education Curricula ...~~

The New Jersey Comprehensive Health and Physical Education Curriculum Framework, like the Standards themselves, is intended to be a "living" document, subject to periodic review and revision. Comments and suggestions regarding the Framework should be submitted to the New Jersey State Department of Education (Attention: Comprehensive Health and Physical Education Coordinator).
