“ Nonstop sexual tension crackles off the page ” (Laura Kaye) in the sizzling final installment in the New York Times and USA TODAY bestselling Marriage to a Billionaire saga by Jennifer Probst. Her sisters have found wedded bliss with their wealthy, wonderful dream men, but not Julietta Conte. She ' s stayed on terra firma as top executive of the family ' s corporation, La Dolce Famiglia bakery. Work is her passion, and her trendy Milan apartment her sanctuary ... until Sawyer Wells, a masculine masterpiece in a suit, lures her out of hiding with an irresistible offer: an exclusive partnership with his international chain of boutique hotels. Julietta ' s been burned before—and trusting her brother-in- law ' s friend, whose powerful gaze alone has her rethinking the best use of a conference room, is the riskiest proposition. But with a once-in-a-career chance to take the bakery global, will she mix stone-cold business with red-hot seduction?

The highly anticipated third novel in the Searching For series from Jennifer Probst, “ one of the most exciting breakout novelists ” (USA TODAY), featuring a runaway bride and the man who wants to be more than just her best friend... Genevieve MacKenzie has her life completely under control. About to wed the charming Chief doctor at the local hospital, she ' s an up-and-coming surgeon with everything she could ever want. Until an escape through the church window on the day of her wedding sends her life into a tailspin...and flings her right into her best friend ' s arms. When Wolfe catches his best friend falling out a window on her wedding day, he doesn ' t ask questions. He whisks her away, determined to watch over her and discover the truth behind her desperate escape. But when his feelings turn more than platonic, he realizes he may risk his most important relationship in order to protect his damaged heart, and the woman he loves. Can Genevieve and Wolfe ' s friendship turn into something deeper—or is it already too late for true love?

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

In order to serve their own selfish needs, struggling bookstore owner Alexa and billionaire Nicholas decide to be in a loveless marriage for only a year, but things get complicated when love grows between them.

The exciting bestselling author who thrilled readers with The Marriage Bargain and The Marriage Trap, Jennifer Probst rounds out her sizzling trilogy with more “ nonstop sexual tension ” (Laura Kaye). Carina Conte has had a crush on her brother Michael ' s best friend, Max Gray, since she was a teenager. Now she ' s earned her MBA and come to work at Michael ' s new venture, America ' s fastest-growing bakery empire. But some things never change: her family still treats her like a child. With three drop-dead gorgeous siblings, she ' s still the ugly duckling of the bunch. And Max, the company ' s new CEO, still barely notices her. Max knows Carina Conte is strictly off limits. But hot-blooded lust wins out at a conference when the two share a scorching one-night stand—and are busted by her mother! Now, forced by old-world Italian tradition into a marriage he ' s not ready for, Max is miserable—and Carina is furious. Her new husband is about to realize that hell hath no fury like a woman transformed....

Using Italian Vocabulary provides the student of Italian with an in-depth, structured approach to the learning of vocabulary. It can be used for intermediate and advanced undergraduate courses, or as a supplementary manual at all levels - including elementary level - to supplement the study of vocabulary. The book is made up of twenty units covering topics that range from clothing and jewellery, to politics and environmental issues, with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition. The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks. • A practical topic-based textbook that can be inserted into all types of course syllabi • Provides exercises and activities for classroom and self-study • Answers are provided for a number of exercises

Publisher Description

Seventy-five percent of processed foods on supermarket shelves—from soda to soup, crackers to condiments—contain genetically engineered ingredients. The long-term effects of these foods on human health and ecology are still unknown, and public concern has been steadily intensifying. This new book from the Council for Responsible Genetics gathers the best, most thought-provoking essays by the leading scientists, science writers, and public health advocates. Collectively, they address such questions as: Are GM foods safe and healthy for us? Will GM food really solve world hunger? Who really controls the power structure of food production? Are GM foods ecologically safe and sustainable? Why is it so difficult to get GM foods labeled in the US? What kinds of regulations and policies should be instituted? How is seed biodiversity, of lack thereof, affecting developing countries? Should animals be genetically modified for food? How are other countries handling GM crops? Ultimately, this definitive book encourages us to think about the social, environmental, and moral ramifications of where this particular branch of biotechnology is taking us, and what we should do about it.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank ' s remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary ' s first publication with a new introduction by Nobel Prize — winner Nadia Murad “ The single most compelling personal account of the Holocaust ... remains astonishing and excruciating. ” —The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “ Secret Annex ” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
