Crabgrass Frontier: The Suburbanization of the United States is a book written by historian Kenneth T. Jackson and published in 1985. Extensively researched and referenced, the book takes into account factors that promoted suburbanization such as the availability of cheap land, construction methods, and transportation, as well as federal subsidies for highways and suburban housing.

Crabgrass Frontier - Wikipedia

The amazing 1987 book "Crabgrass Frontier: The Suburbanization of the United States" by urban historian Kenneth T. Jackson disabused me of that notion. Moreover, it taught me about the pervasive power a conservatism based on selective memory and benign ignorance has to maintain structural inequalities. There was so much amazi
