If family structures are then broken by the weapon of deportation, what type of nation are we trying to build? Research over the years has concluded that children who have been forced to face separation from their parents usually face a lot of emotional, cognitive and behavioral defects going forward. If children are supposed to be the number one citizen of the nation, why do we try to break ...

Deportation Nation

According to the most recent official figures, from the beginning of Trump's term through September 2019 his administration carried out more than 584,000 formal deportations. As of last October, Immigration and Customs Enforcement (ICE) was monitoring more than 3.2 million cases of immigrants who were in active deportation proceedings.

Deportation Nation | Daniel Kanstroom | Harvard University ...

Deportation Nation is a chilling history of communal self-idealization and self-protection. The post-Revolutionary Alien and Sedition Laws, the Fugitive Slave laws, the Indian "removals," the Chinese Exclusion Act, the Palmer Raids, the internment of the Japanese Americans--all sought to remove those whose origins suggested they could never become "true" Americans. And for more than a century ...
