(The first book in the Detectives in Togas series) A novel by Henry Winterfeld In these two delightful history-mysteries, seven boys in Ancient Rome solve strange crimes . . . thanks to some help from their cranky teacher, a little bit of logic, and a lot of amusing misadventure.

Detectives in Togas (Detectives in Togas, book 1) by Henry ...

Work Description. English title: Detectives in Togas. Originally published in Germany in 1953, this is the first of a children's mystery series set in ancient Rome. Yes, Rufus wrote CAIUS IS A DUMBBELL on his tablet at school, but no, he did not break into the schoolroom, did not tie up his teacher, and certainly did not paint his slur about Caius on the Temple of Minerva (even if it is in Rufus's own handwriting).

Roman history, boring? You wouldn't think so, reading "Detectives in Togas." Seven high-spirited Roman boys and their crabby teacher make up the cast of this outstanding head-scratcher, set in the heyday of Rome's domination. Rufus disrupted Xantippus's class by writing "Caius is a dumbbell" on a tablet, provoking Caius to start yelling.

In an effort to save a boy wrongly accused, a group of six young friends living in ancient Rome search for the culprit who scrawled graffiti on the temple wall. Simultaneous.

The purchase of a slave for their teacher leads a group of schoolboys in ancient Rome to discover that the slave is a messenger with a demand to assassinate a Roman senator who happens to be the father of one of the boys. Simultaneous.

A young Egyptian boy struggles to reveal a hideous crime and reshape his own destiny.

The echanting escapades of a little boy living in China 100 years ago

In this action-packed adventure and coming-of-age story that finely weaves fact and fiction, thirteen-year-old Ming lives in a small village in Maoist China in the 1970s. His father is convinced that Emperor Qin's tomb—and the life-size terra-cotta army created to serve and protect the emperor in the afterlife—lies hidden in the hills around them. But if Ming's father doesn't prove it soon, the town's Political Officer will condemn him to the brutal labor camps. From the stories of a terra-cotta soldier who has survived through the centuries, Ming learns the history of Emperor Qin, known for building the Great Wall of China, and how and why the terra-cotta soldiers came to be. As their unlikely friendship develops, Ming experiences the mysterious tomb firsthand, braving deadly traps and witnessing the terra-cotta army in action. Most importantly, he comes to see how he can save both the terra-cotta soldiers and his father from the corrupt Political Officer and his Communist cronies. The book is illustrated with photographs of Communist Chinese village life in the 1970s, the Great Wall, and, of course, the excavated tomb with its many terra-cotta soldiers. It also features a special recipe from the story. Praise for *Secrets of the Terra-Cotta Soldier*
"Historical photos and Indiana Jones – style adventure enrich this tale of an unusual meeting between the Qin Dynasty and the 20th century." --Kirkus Reviews "Despite the hardships, both courageous characters work to uphold their respective duties: Shi to protect the tomb and Ming to protect the cultural legacy of China's people. With archival art, recipes, and end notes, this title is sure to be a hit in the classroom."
--Booklist

A young Roman boy, Flavius, develops compassion for his captured Greek slave.

When Marcus Didius Falco, a Roman "informer" who has a nose for trouble that's sharper than most, encounters Sosia Camillina in the Forum, he senses immediately all is not right with the pretty girl. She confesses to him that she is fleeing for her life, and Falco makes the rash decision to rescue her—a decision he will come to regret. For Sosia bears a heavy burden: as heavy as a pile of stolen Imperial ingots, in fact. Matters just get more complicated when Falco meets Helena Justina, a Senator's daughter who is connected to the very same traitors he has sworn to expose. Soon Falco finds himself swept from the perilous back alleys of Ancient Rome to the silver mines of distant Britain—and up against a cabal of traitors with blood on their hands and no compunction whatsoever to do away with a snooping plebe like Falco.... *The Silver Pigs* is Lindsey Davis' classic novel which introduced readers around the world to Marcus Didius Falco, a private informer with a knack for trouble, a tendency for bad luck, and a frequently inconvenient drive for justice.

Three Australian children, adrift on a rubber raft, are cast ashore in a strange land of tiny people.

Young Theras, born an Athenian, is taken to Sparta by a relative when his father is lost at war. He is forced to live like a Spartan, a brutal life with no pity for those who are not physically perfect and totally obedient to Spartan control. After enduring rigorous training and repeated cruel incidents, he escapes with a Perioikoi boy and heads for his beloved Athens. This captures the authentic flavor of ancient Greek culture in a story of adventure and excitement that fully illustrates the differences between the Athenian and Spartan cultures.

Describes how the Romans put to use and expanded the scientific achievements of earlier civilizations.
