Bungaroosh. 4.0 out of 5 stars Using it much more than I thought I would. Reviewed in the United Kingdom on 14 July 2019. Verified Purchase. For objects and media where a flatbed scanner won't do this is terrifically useful. It takes up very little desk space, and is as quick, if not quicker than using a scanner.

4.0 out of 5 stars Works as expected, easy to use and affordable. The camera works really perfect for the purpose I bought it, i.e. viewing printed documents on a computer screen. The camera itself is very flexible and with the zoom and exposure function you can easily adjust how a document is displayed.
