Welcome to the SAGE edge site for Parenting, 3e! The Third Edition of George W. Holden's Parenting: A Dynamic Perspective provides a highly accessible and intellectually rich review of what is currently known about parenting. Written from a psychological perspective but with applications to other disciplines, the text discusses a wide range of contemporary issues such as fertility problems, daycare, marital conflict, divorce, gay parents, and family violence.

Parenting: A Dynamic Perspective | Online Resources

Summary: George Holden embraces the idea that parenting is a dynamic process: children affect parents just as much as parents affect children. A multi-level, ecological approach to parenting and childrearing allows a full range of parenting styles, covering topics from co-parenting, evolutionary views, human behavioral genetics, to religious influences, and addressing challenges to be encountered across parenting courses,such as family violence, behavior problems, and the role of pathology ...
