and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides for The Color Purple simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. But, this Study Guide for The Color Purple is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Readers will self-generate additional notes within the
