hires Colin to stop an undead outbreak at the city graveyard, it sounds like money in the bank to everyone's favorite down on his luck druid. But when you're cursed by an ancient fae sorceress with a score to settle, nothing is ever as it seems...

Colin McCool here, otherwise known as the Junkyard Druid. Not my favorite title, but since it's my only title I guess I'm stuck with it. But hey, things are looking up. Sure, a powerful and sentient magical artifact may have taken up residence inside my skull, and I'm still burdened with a nasty curse cast by an ancient sorceress of the Tuatha Dé Danann... ...but I'm trying really hard to look on the bright side of things. Seeing as how I've been

dragged back into the world of the fae, I figure I may as well be of use. And if I can make a little scratch while using my druidic talents for good and not evil, so much the better. Which is why I took this job working for Austin's vampire coven, cleaning up a ghoulish infestation at the city cemetery. It's not their fault and they don't want the heat, so they hired me to take care of it before it gets out of hand. Easiest. Job. Ever. I'll just whack a few ghouls, hide the bodies, and collect my fee. I mean, seriously - what could possibly go wrong?

everyone's sake. JUNKYARD
DRUID A New Adult Urban
Fantasy Novel From M.D. Massey
Name's Colin McCool. Folks call
me the Junkyard Druid. I hate that
name. Despite my last name, I'm
not "cool" like the other hunters
in town. I don't run an occult
bookstore, I've never owned a
Harley, and I didn't inherit a
family fortune passed down
through generations of hunters
before me. And I kind of have this
curse on me that's messed up my
life. So, things have gone to hell
since I was cursed. I live in a
junkyard, my mentor Finn is a
heroin addict, I've got the Cold
Iron Circle breathing down my
neck, and the local Fae Queen
Maeve is blackmailing me into
doing her dirty work. Now I'm in

way over my head trying to retrieve Maeve's stolen magic rock, all while helping my friend Belladonna solve a series of murders that may or may not involve the local werewolves. And did I mention that my girlfriend is a ghost? If I can just get the Faery Queen's tathlum back, and help Belladonna solve the murders... Then I just might live long enough to finish my first year of college. - - Junkyard Druid is a new adult fantasy novel that interweaves elements of paranormal mystery and suspense to introduce an exciting new world and characters in the urban fantasy paranormal genre. It's the first book in the Colin McCool urban fantasy series for adults. Readers of Jim Butcher, Patricia Briggs,

the kids, killed the ringleaders, and everyone was supposed to live happily ever after. But as it turns out, that only happens in fairy tales. Because when you're dealing with the Fae I know, there's always another nightmare waiting in the wings. Now I'm traveling into the belly of the beast-straight into Underhill, the mystical realm of the Fae. And to pay for my passage to and from the Faery lands, I'll have to do something no one has ever done before. I'm going to steal the source of magic that powers Underhill itself. All I have to do is get to Underhill, steal a few uber-powerful magical relics from some Celtic gods, rescue the remaining children the Fae abducted, and get us all home in

one piece. Oh, and I also have to outsmart Maeve, Austin's local faery queen... because I know she's not helping me travel to Underhill out of the goodness of her heart. Piece of cake, right? Yeah, right. One thing's for certain... if this mission is going to be my swan song, I intend to go down spell-slinging.

I'm Colin McCool, world-class shit magnet and druid apprentice extraordinaire. I survived my final confrontation with the Dark Druid by the skin of my teeth. But that stunt attracted the attention of some extremely nasty gods who now consider me a threat to their very existence... Hashtag FML, amirite? Now, I'm in a race to master the ways of druid magic,

all while staying one step ahead of the immortal assassins trying to kill me. Question is, can I wield enough power to protect the people I love from the divine wrath of the gods? Even I doubt my chances. But with a slew of angry demigods on my ass and a friend's life in the balance, I only have one choice--fight or be damned to the dead realm of Tech Duinn, forever. DRUID APPRENTICE A New Adult Urban Fantasy Novel From M.D. Massey Book 9 In The Colin McCool Paranormal Suspense Series You'll love this urban fantasy novel with a twist of suspense, because everybody loves a down on his luck magician who has to fight to save the people he loves. When a wizard tasks Colin McCool with saving his world from a post-apocalyptic future, he'll stop at nothing to complete his mission. With the clock ticking down to oblivion, Colin must face an army of vampires and a power-crazed magician-one who could end the young druid and his world, forever...

BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. In the three hundred years since the death of the Druid Allanon, the evil Shadowen have seized control of the Four Lands. If they are to be saved, the black Elfstone must be retrieved, at whatever cost to life or love....

Where To Download Druid Justice A New Adult Urban Fantasy Novel The Colin

I'm not your average girl. My best friend is my switchblade. My favorite hobby is using it on the cruel, the abusive, and anyone who gets on my bad side. I'm a convicted murderer with a chip on my shoulder and a dangerous lack of restraint. And then there's Zak. His rap sheet makes mine look tame. The bounty on his head is worth more money than I'll ever make, and the deadly fae that shadow his every step wield more power than I'll ever know. He's the Crystal Druid, and his first mistake was setting foot on my turf. His second was saving my life. And his final mistake will be failing to realize that however dark, however ruthless, however broken he is... I'm worse. -- From

agreed to take up his sword one last time... but will this "one final job" be the death of him? BLOOD SCENTA Junkyard Druid Urban Fantasy Novella, #1 Colin's life has finally regained some semblance of normalcy after the death of his girlfriend, Jesse. He no longer hunts supernatural creatures. He has a job working in his uncle's salvage yard that he enjoys. He's even planning to start college in the fall. And, he lives inside six acres of scrap iron, steel, and magical wards that keep the fae and other denizens of Austin's paranormal underworld far, far away from him. Which is just how he likes it. So when he runs across a rogue vampire on the hunt, his first instinct is to report it to the local

Fantasy Novel and then the mind his own business. But Colin just can't stand aside and watch as innocent people are slaughtered. Which is why he'll take up his sword one last time, for one final job. But with witches, doppelgangers, and demigods involved, this gig is turning out to be a lot more complicated and dangerous than he expected. Hopefully, this "one last job" won't truly become his last... (Note to readers: The events in this 30,000 word novella occur before Junkyard Druid. It can be read as a prequel to the Junkyard Druid/Colin McCool New Adult Urban Fantasy Novel Series or as a standalone novella.)
