e-learning and knowledge management, well the term knowledge management is a little less hot than it used to be, but we remain big fans of the principles of knowledge management, and see the synergies with e-learning and social learning, indeed the works of Nonaka and Davenport are in our knowledge base. As the e-learning industry has slanted toward e-learning 2.0, informal learning and most latterly social learning, the principles of knowledge management have been less high profile, which ...
