ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Written for students taking the principles of economics course. By presenting ideas clearly, at an accessible level, and in the context of newsworthy applications, Economics Today: The Macro View is also a valuable resource for professionals seeking a current, real-world introduction to economics. Economics Today—Bringing the Real World to Your Students Students learn best when they see concepts applied to examples from their everyday lives. This new edition of Economics Today: The Micro View covers leading-edge issues while lowering barriers to student learning. The text relentlessly pursues the fundamental objective of showing students how economics is front and center in their own lives while providing them with many ways to evaluate their understanding of key concepts covered in each chapter. Each chapter begins and ends with an Issues and Applications feature, which introduces a timely issue in the chapter opener and analyzes the issue using the economic tools learned in that chapter at the end. This text is also available with MyEconLab®, which includes assessment questions that tie to these Issues and Applications, as well as ABC News video clips. With MyEconLab, students can continue working problems online and receive personalized tutorial resources. Visit MyEconLab for more information. 0133403912 / 9780133403916 Economics Today: The Micro View Plus NEW MyEconLab with Pearson eText -- Access Card Package Package consists of: 0132948885 / 9780132948883 Economics Today: The Micro View 0132970066 / 9780132970068 MyEconLab with Pearson eText -- Access Card -- for Economics Today; The Micro View Note: If you are purchasing the standalone text (ISBN: 0132948885) or electronic version, MyEconLab does not come automatically packaged with the text. This text appeals to today's diverse student population by presenting ideas clearly, at an accessible level, and in the context of newsworthy applications.

Inspiring people to care about the planet. In the new edition of LIVING IN THE ENVIRONMENT, authors Tyler Miller and Scott Spoolman have partnered with the National Geographic Society to develop a text designed to equip students with the inspiration and knowledge they need to make a difference solving today's environmental issues. Exclusive content highlights important work of National Geographic Explorers, and features over 200 new photos, maps, and illustrations that bring course concepts to life. Using sustainability as the integrating theme, LIVING IN THE ENVIRONMENT 18e, provides clear introductions to the multiple environmental problems that we face and balanced discussions to evaluate potential solutions. In addition to the integration of new and engaging National Geographic content, every chapter has been thoroughly updated and 18 new Core Case Studies offer current examples of present environmental problems and scenarios for potential solutions. The concept-centered approach used in the text transforms complex environmental topics and issues into key concepts that students will understand and remember. Overall, by framing the concepts with goals for more sustainable lifestyles and human communities, students see how promising the future can be and their important role in shaping it. offers additional exclusive National Geographic content, including high-quality videos on important environmental problems and efforts being made to address them. Team up with Miller/Spoolman's, LIVING IN THE ENVIRONMENT and the National Geographic Society to offer your students the most inspiring introduction to environmental science available! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Revised edition of the authors' The economics of public issues, [2016]

This concise argument text presents a broad range of rhetorical theory while providing the clear explanations and examples to make it accessible to an exceptionally wide range of students. Essentials of Argument, 3e, contains ten chapters, each accompanied by class exercises and writing assignments. Students using this text will learn to identify topics of personal and social consequence, to read and form opinions of their own, to analyze a potential audience, and to write persuasive argument papers. Research methods are introduced early, instructing students how to locate, print, and evaluate online materials and avoid plagiarism. Appendices teach MLA and APA styles, and provide a synopsis of the major ideas about argument in unique Summary Charts.
