In 1949, Eichler hired a draftsman who produced more stylish but less overtly Modern designs for two new subdivisions in Palo Alto and Menlo Park. Eichler explained later that he had put off a wholehearted plunge into original architectural designs until he had acquired sufficient “experience and know-how” to manage a process that involved topflight architects and full fledged modern building techniques.

decade, I have been consumed by a fascination with the Eichler homes. I first wrote about them in 1984, when I was a graduate student of architecture at Columbia University. I argued then that California's Eichlers qualified as a modern vernacular: modern by social intent and aesthetic expression, and vernacular by their use of local materials and methods and their ...
