Citrus fruits like oranges are low in vitamin A but high in vitamin C. Dried apricots are a great source of fibre, iron, potassium and calcium too (but stick to a 30g portion as dried fruits are high in energy). Suggestions: Cantaloupe melon, mangoes, nectarines, orange peppers, pumpkin, sweet potatoes.

Should you eat a rainbow of fruits and vegetables? - BHF

Orange and yellow fruits and vegetables are rich in vitamin C and carotenoids, including beta-carotene. Some carotenoids, most notably beta-carotene, convert to vitamin A within the body, which helps promote healthy vision and cell growth. Citrus fruits contain a unique phytonutrient called hesperidin, which helps to increase blood flow.

greens—eat your reds, yellows, and blues too. In *The Rainbow Diet*, nutritionist and health expert Dr. Deanna Minich introduces a cutting-edge way to achieve an inner rainbow of optimal health. A painted platter. Forget about bland, colorless diet foods—it's time to taste the rainbow. Vibrant health begins when we add color to our diet with the right foods and supplements. Inside, find specific colorful foods, supplements, and recipes you can eat, as well as activities to help you heal and flourish. You'll learn how to make a colorful plate, featuring a rainbow spread of natural foods that provide your body with the essential nutrients necessary for mental clarity, emotional wellbeing, and spiritual fulfillment. Meals that heal. The *Rainbow Diet* combines ancient healing and eating practices with modern nutritional science. Unlike most fragmented nutrition paradigms that solely assess food intake, *The Rainbow Diet* puts body, psychology, eating, and living together into one view. An artist's palette, a foodie's palate. Taking all aspects of your life into consideration, Dr. Minich gives readers an easy to follow transformational guide to attaining physical, mental, and spiritual health through colorful whole foods and natural supplements. Throughout, she uses the properties of color to help guide you, like:

- Yellow for the bright radiance of your intellect
- Red for the grounding, physical issues of your body
- Indigo for the deeper knowledge and intuition we all carry

Go beyond primary colors and take in the entire color spectrum. If you're interested in natural eating, and enjoyed books like *Whole Detox*, *Rainbow Green Live-Food Cuisine*, *What Color Is Your Diet?* and *Eat Your Colors*, you'll delight in *The Rainbow Diet*.

(Publishers Weekly, starred review) bayou thriller. The brutal murders of seven young women in a neighboring parish pull Robicheaux from his New Iberia home into a case with all the telltale signs of a serial killer. Except that one of the victims, a high school honors student, doesn't fit. Investigating with his friend Clete Purcel, Robicheaux confronts Herman Stanga, a notorious pimp and crack dealer—but shocking violence sends the already blood-soaked case spiraling out of control. And with his daughter, Alafair, in love with a man who has dangerous ties to a once prominent Louisiana family, every dark fear Robicheaux harbors for himself and his daughter are on the precipice of becoming reality.
