Entrepreneurial Finance: Strategy, Valuation, and Deal Structure applies the theory and methods of finance and economics to the rapidly evolving field of entrepreneurial finance. This approach reveals how entrepreneurs, venture capitalists, and outside investors can rely on academic foundations as a framework to guide decision making.

Strategy, Valuation, and Deal Structure

This book builds on our previous books, Entrepreneurial Finance (2000, 2004) and Entrepreneurial Finance: Strategy, Valuation and Deal Structure (2011). Like the earlier books, it ties the applications to the underlying disciplines of finance and economics and makes clear in what ways the study of entrepreneurial finance is distinct from corporate finance.
