Traditional business ideas can also come from identifying a social need but the difference between a social enterprise and a traditional business is the motivation of the entrepreneur. The primary motivation for a traditional entrepreneur is more-often-than-not a desire to make money whereas a social entrepreneur is driven first and foremost by a passion to solve a social problem.

Entrepreneurship Ideas In Action Work Answers

A social entrepreneur is an individual who works with an initiative to develop pioneering ideas and solutions for the existing social problems and issues faced by the society. They try to resolve these problems by changing the system of working and mind set of people, by spreading awareness about how to tackle these problems and issues; and developing social entrepreneurship resources to empower the community.
