Eternal Kiss tells the story of David Manners, a thirty-something filmmaker from the small seaside town of Harker's Cove who gets more than he bargained for when he sets out to make a documentary about people who believe in the existence of vampires... and finds himself the target of media mogul Elisabeth Langstrom, a very real vampire who is convinced that David is her soul-mate.

Eternal Kiss is Kate and Nicholas's book and while my favourite Roman brother is Luca, I found that I did enjoy this book! Nicholas is a tortured hero almost as much as Kate is a tortured heroine.
